

Eindhoven
Verskil tussen maximum- en minumtemperatuur

Navigation and map controls including buttons for monthly details, detailed information, and a map, along with a year selector.

Table with 13 columns (months) and 40 rows (years 1983-2022). Each cell contains a temperature difference value. The last row includes a summary of the highest and lowest recorded values.

Legend and explanatory text: 'maandgemiddelden en -normalen', 'Achtergrondkleur: temperatuurverschil per etmaal (Tx - Tn)', and 'de maximum- en minimumtemperatuur zijn extra gevoelig voor verandering in de meetopstelling.'
